

WHO WE ARE ...

Power Suit Project is a non-profit, professional women's educational networking group that provides structured opportunities for its members to make meaningful connections with fellow professional women in Atlanta. PSP is a referral based non-profit organization – that's how we keep our events intimate and why our members continue to create business relationships and friendships with other like-minded women.

PSP offers its members educational, mentoring, and leadership opportunities in the form of monthly panel discussions, social outings, workshops, and charitable endeavors. Our goal is to create a safe and welcoming place for professional women of all industries, in all stages of their careers, to learn from and support one another.

Partnership:

One of Power Suit Project's greatest strengths is our ability to build strategic partnerships that help support and promote the development of professional women in Atlanta. Whether your business is small or large, we invite you to learn more about the partnership opportunities we offer to meet your company's goals.

A La Carte Partnership Opportunities

Small Group Activity Sponsor

\$100-\$300

Our members value the personal and professional contacts they make at our more intimate Small Group Activities throughout the year: Small Group Activity Sponsors are invited to sponsor an organized lunch, breakfast or other PSP organized Activity in exchange for the opportunity to meet and market to a more intimate audience.

In-Kind Donor

Your donation of meeting space, food, and/or beverages are always welcome!

Customized donations may include:

- Food and/or beverage packages
- Event and meeting space

Raffle items/gifts/services for select events

*Please contact VP of Strategic Partnerships at info@powersuitproject.org for more information and customization.
